	ached is the transcript of the 20 February Executive
Session of the	Fulbright Hearings. special
assistant, has or recommend	asked us to review this transcript and make suggestions lations on portions we would like deleted from the record.
	ave gone through the entire transcript and put a slip of
yellow paper is	n front of every page on which the Agency is mentioned
directly or by	clear implication. I am very reluctant to carry any water
ior state in thi	is exercise and would prefer to avoid casting an Agency
vote if we can	s exercise and would prefer to avoid casting an Agency do so. Most of what we want taken out DOD and/or State
